

SCHEME

**Roads (Works, Use and Compensation) Ordinance (Chapter 370)
as applied by section 26 of the
Water Pollution Control (Sewerage) Regulation
(Chapter 358 AL)**

Scheme annexed to Plan No. SW/GZ141 describing

**PWP Item No. 7786CL
Tung Chung New Town Extension
(Sewerage Works at Road L31 and Yu Tung Road)**

General Description of the Works

The Director of Environmental Protection proposes to execute the sewerage works within the limit of works area as shown on Plan No. SW/GZ141 (the "Plan") annexed hereto and described hereunder. The proposed sewerage works are to serve the Tung Chung New Town Extension and the other developments in the vicinity.

The general nature of the proposed sewerage works is as follows:-

- (i) construction of about 300 metres of gravity sewers, associated manholes and facilities within the limit of works area as shown on the Plan; and
- (ii) ancillary works including temporary closure and reinstatement of carriageway, footpaths and open space or parts thereof.

Roads to be Closed

For the purposes of or incidental to the works or the use, the Director of Environmental Protection proposes that powers under section 17 of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) as applied by section 26 of the Water Pollution Control (Sewerage) Regulation (Chapter 358AL) may be exercised to close temporarily the existing carriageway, footpaths and open space or parts thereof within the limit of works area as shown on the Plan. Temporary alternative access will be provided and temporary diversions will be carried out during the construction period where required. Further notice, setting out the manner in which such carriageway, footpaths and open space or parts thereof are to be closed, will be issued under section 18 of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) as applied by section 26 of

the Water Pollution Control (Sewerage) Regulation (Chapter 358AL) as and when required.

Apparatus whose Course or Position to be Altered

For the purposes of or incidental to the works or the use, the Director of Environmental Protection proposes that powers under section 20 of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) as applied by section 26 of the Water Pollution Control (Sewerage) Regulation (Chapter 358AL) may be exercised to require alteration of the course or position of the existing utility services apparatus, such as electricity cables, telecommunication cables, water-mains, drainage pipes, sewerage pipes, gas pipes and other service apparatus lying within the limit of works area, and to require repair of any road surface thereby disturbed. Further notice, setting out the manner in which the course or position of such apparatus is to be altered and any road surface is to be repaired, will be issued under section 20 of the Roads (Works, Use and Compensation) Ordinance (Chapter 370) as applied by section 26 of the Water Pollution Control (Sewerage) Regulation (Chapter 358AL) as and when required.
